

17 August 2023

Dear Boat Storage Customers,

Thank you for your continued patronage at Riverside Rec's boat storage facility. Riverside Rec's storage and servicing has changed its name to Old Mill Boatworks, LLC. Also, starting September 1, 2023 we will be changing how we bill storage customers for their boats.

To help us better serve you through more prompt billing, we will be billing monthly for storage via email. Also, this will now be on a full 12-month cycle as opposed to the previous invoice that included only the time that the boat was in storage. Reflecting the current economy, our rates are \$5 per-ft per- month for the length of the boat.

If you have already stored with us, we will honor your spot in our facility. If you no longer wish to store with us, please let us know - as space is limited. Attached is our [updated vessel/equipment storage agreement](#) for your craft. Please fill it out by September 1, so we can update our records accordingly.

If you have any questions about the changes, please email or call us. Our new contact information is below. Thank you again for choosing Riverside Rec and Old Mill Boatworks.

Sincerely,

Eric Huffine
Owner
